

Surface Cleaning Dual Pressure Cleaner 2500 PSI (DPC-2500)

2 in 1 Pressure Cleaner – Cleans 3x Faster

2 in 1

Pressure Wand and
Rotary Surface Cleaner

2500
PSI

2500 PSI

3x

Cleans 3x Faster

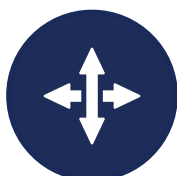

Redefining cleaning power. Combining a pressure wand and rotary surface cleaner, the DPC delivers 2500 psi pressure at the outlet end. It blitzes through dirt and grime at 3x the speed, with up to 4 hours continuous use, outshining its rivals. With a mere 40kg weight and telescopic handle, it's compact, lightweight, and versatile – a dynamic companion for driveways, outdoor areas and Tradie clean-up. The 2in1 lever seamlessly toggles between rotor and wand through a single handle turn. Whirlaway, pump, and engine merge into a compact powerhouse.
